3290/M	25	90		7		M10	17

Plated steel
insert

Operated by means of a simple lift and fold movement these handles can be 'parked' in the desired safety position when not in use.

PATTERN

THREAD OR
CLEARANCE BORE

LENGTH OF
MALE THREAD

Most patterns are available with imperial threads (Whitworth) or bores

Non standard thread diameters, lengths, insert materials and other modifications are available for minimum quantities. The standard colour is black. Some patterns are available in a choice of colours. Contact our sales department for details.

All dimensions in mm and are approximate
