SMALL DESK CONSOLES

BIM1000 RANGE

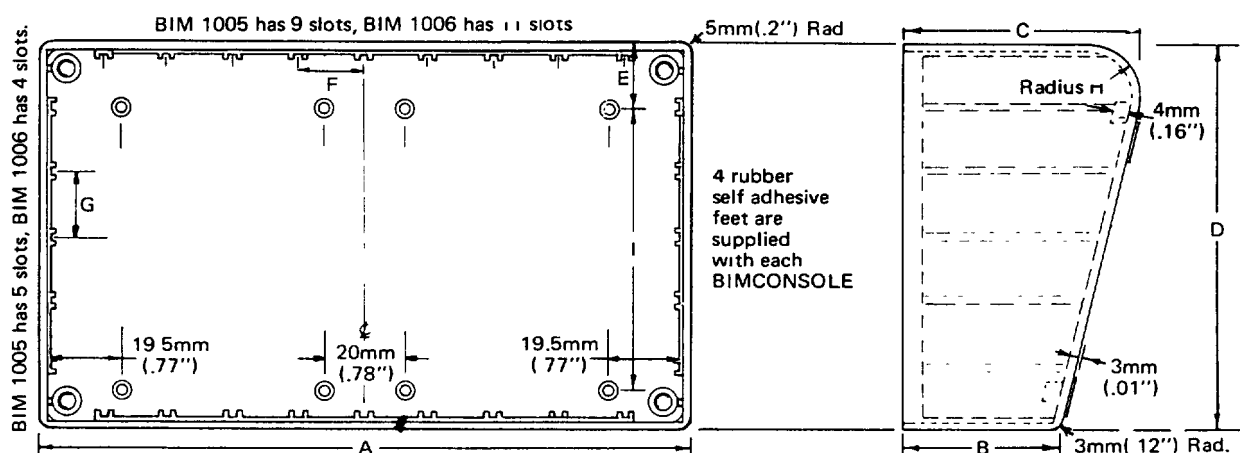

The BIM 1000 range of small desk consoles is manufactured in ABS and is fitted with 1mm (.04") thick grey aluminium front panels which drop into the sloping front of the consoles and held by four fixing screws running into integral brass bushes.

Available in 2 sizes and produced in Orange, Blue, Black and Grey, these BIMCONSOLES incorporate slots on all four sides for holding 1.5mm (0.062") thick pcb's as well as 5mm (.20") dia. stand-off bosses in the base for supporting various sub-assemblies etc.

These ABS consoles are easily drilled or punched, have excellent electrical insulation properties and will withstand continuous heat up to 85°C (185°F).

		A	B	C	D	E	F	G	H	I
